

WHEN YOU MEET A

# HANGRY HOWARD

written by Joe Ciccarelli | illustrated by Gary Ciccarelli

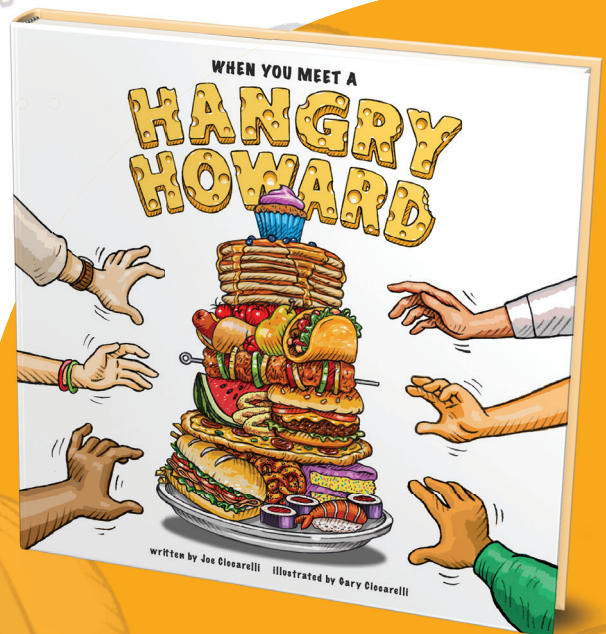

A food-filled children's book for anyone who fancies themselves a foodie or has ever felt hangry... so, pretty much everyone. Through whimsical words and colorful animations that nod to children's books of past eras, comes a tale of what to do when you meet a Hangry Howard. What is a Hangry Howard? A question you might ask. It's someone who lives in us all when hunger meets anger and you don't get food fast.

**"When You Meet a Hangry Howard is a fun and entertaining picture book about the common phenomenon of feeling angry when you have not eaten. Written inverse, with lots of fabulous, tongue-twisting rhymes, this is a fun book to read out aloud. Young children will laugh out loud at all the Hangry Howards, and may even recognize themselves too!" — Readers' Choice Book Awards, Five Star Rating**
